Motor Vehicle Tax (property tax) is assessed on a vehicle at the time of initial registration and annually thereafter until the vehicle reaches 14 years of age or more. It is based upon the MSRP (Manufacturer's Suggested Retail Price) of the passenger vehicle or GVWR (Gross Vehicle Weight Rating) of a truck. This figure is set by the manufacturer and can never be changed. Once the MSRP of the vehicle is established, a Base Tax set by Nebraska statute and assigned to that MSRP is then assessed.

It is this Motor Vehicle Tax/Base Tax figure that is adjusted as the vehicle ages.
(IT IS A PROPERTY TAX.)
